Hello Ron,

I have attached a set of 4 maps illustrating our analysis of 316b cooling water intakes that overlap geographically with threatened and endangered species' critical habitat and habitat ranges. Due to large file sizes I am sending the accompanying Excel data file and summary memorandum in a separate email.

EPA 316b T&E Map 1_All Facilities_9-13-12.JPG

EPA 316b T&E Map 2_Overlap_9-13-12.JPG

EPA 316b T&E Map 3_125 MGD_9-13-12.JPG

Best regards,

Tom
